D&E Communications, Inc. is proud to announce that Douglas W. Snell Sr., Vice President of Facilities & Purchasing, has been appointed to chair the Pennsylvania Telephone Association's ("PTA") 911 Task Force. A resident of Ephrata, Mr. Snell has been a valuable member of the D&E team for 22 years.

In addition to Mr. Snell's role as VP of Facilities and Purchasing, he has led D&E's business relationship with Lancaster County-Wide Communications ("LCWC"), Lancaster County's Emergency 9-1-1-service provider, for the past 3 years. He coordinates the ordering of circuits and assists LCWC with their 3-year strategic plan. Snell serves as the liaison between LCWC and various telephone carriers, works with the central office on selective routing issues, and assists in the development of training programs for emergency 9-1-1 call takers. "I would like to congratulate Doug on being named chairman of the PTA 911 Task Force. With his background in public safety and awareness, I have complete confidence that Doug will serve the PTA, D&E, and the emergency services community well," commented James W. Morozzi, President and CEO of D&E Communications, Inc.

About D&E Communications, Inc.: D&E is an integrated communications provider offering high-speed data, Internet access, local and long distance telephone, data, professional IT services, network monitoring, security solutions and video services. Based in Lancaster County, D&E has been serving communities in central Pennsylvania for more than 100 years.
